DOCTORAL PROGRAMME IN MANAGEMENT

Introduction:

Indian Institute of Management Rohtak is a premier institute of management education in India. The Doctoral Programme in Management (DPM) of the Indian Institute of Management Rohtak is a full-time doctoral programme offered in various disciplines. The programme aims at:

1. Developing high-quality researchers and teachers for academic institutions in India and abroad.
2. Producing top-quality management experts and thinkers for business organizations, government, and society in India and abroad.

Areas of Specialization:

The DPM will be offered in the following broad Areas:

- Economics & Public Policy
- Finance & Accounting
- Human Resources Management and Organizational Behaviour
- Management Information Systems
- Marketing & Strategic Management
- Operations Management & Quantitative Techniques

The programme duration is four years. The participants are given a monthly Fellowship, waiver of tuition fees, contingency grant to attend international/national conferences and support for research visits to global partner institutions.

IIM Rohtak aims at excelling in interdisciplinary research globally and is deeply committed to foster fundamental, applied, and policy-oriented research. It is open to work with partners from academia, industry and government in fulfilling its goal of excellence. The Institute is strategically located in the National Capital Region and has proximity to the industrial clusters and the seats of policymakers. Doctoral Programme in Management (DPM) at IIM Rohtak strives to incorporate the strengths of similar programmes in other IIMs and other major institutions and has included specific innovative features as per the emerging needs. The DPM programme is in line with the vision of the institute to be a global leader in the creation and dissemination of knowledge in management and to be India's future global learning center like the ancient Nalanda was.
