Admission Process for PGP Batch 2022-24

This document details the process for selecting candidates for PGP programme at IIM Rohtak for the PGP batch of 2022-24. The basic objective of IIM Rohtak's admission process is to identify meritorious candidates for admission under each category of admission, viz., General, NC-OBC, SC, ST, EWS and PWD/DAP. While merit is the prime consideration, the Institute recognizes a possibility of skewed student structure in favour of male gender and engineering and related subjects at graduation in the normal course. Hence, it strives to ensure a better balance in opportunities among different subject streams and genders. It is also part of IIM Rohtak's approach to duly recognize academic and gender diversity.

The admission process of IIM Rohtak is a five-stage process:

Stage I Online Registration for PGP Admission 2022-24 batch, IIM Rohtak.

Stage II Online Personal Interview (Online PI) for only shortlisted candidates.

Stage III The Final Selection List based on CAT score, Online PI score, Gender and Academic diversity.

Stage IV Offer for Provisional Admission for the PGP programme 2022-24 batch. **Stage**

V Reporting for joining the PGP programme 2022-24 (Batch –XIII).

Stage I- Online Registration for PGP Admission 2022-24 batch, IIM Rohtak.

1. Minimum eligibility criteria for registration process are based on the aggregate percentile scores in the CAT 2021 as mentioned in Table 1 below.

***Meeting minimum eligibility criteria does not ensure that the candidate is shortlisted for the Personal Interview (PI) Process.**

Table-1
Minimum eligibility criteria based on CAT Score-2021

CATEGORY	TOTAL (OVERALL)
General	95
EWS	90
NC-OBC	78
SC	55
ST	30
DAP	30

2. IIM Rohtak will invite online applications for registration in PGP 2022-24 batch
