### Admission Process for PGP Batch 2023-25

This document details the process for selecting candidates for PGP programme at IIM Rohtak for the PGP batch of 2023-25. The basic objective of IIM Rohtak's admission process is to identify meritorious candidates for admission under each category of admission, viz., General, NC-OBC, SC, ST, EWS and PWD/DAP. While merit is the prime consideration, the Institute recognizes a possibility of skewed student structure in favour of male gender and engineering and related subjects at graduation in the normal course.
